

Green Corporate Volunteering across Nottingham

Windmill Community Gardens, NG8

“Windmill Community Gardens are off grid but have a composting toilet. We also have accessible areas if you have less physically able team members.

We often have woodworking jobs, so anyone with skills in that area would be helpful, but we can also usually organise more general jobs.”

Sessions held on Tuesdays and Fridays. Tools and PPE Provided

Contact Tracey; wcgnottingham@gmail.com or

07816 899 978

Greens Windmill & Science Centre, NG2

“In 2015 Green’s Windmill Trust took on an allotment next door to the mill, renovating the plot. This has extended the outdoor space and offers beautiful grounds for the public to enjoy. The large plot needs continuing work to help it flourish and we welcome both individuals and groups for one off, short term and longer-term volunteering opportunities.”

Sessions held on Wednesdays, Thursdays and Fridays. Tools and PPE Provided

Contact Jamie Duff; greensmill@nottinghamcity.gov.uk

Bulwell Forest Garden, NG6

Sessions held 10am - 4pm on Mondays Wednesdays and Fridays

Contact Babs; hello@bulwellforestgarden.co.uk

Tools and PPE Provided

Groups of up to 30 can be accommodated for at certain times however, up to 12 volunteers is normal.

Lunch can be provided at £8 per person

Arkwright Meadows Community Gardens (AMC Gardens), NG2

Sessions held on Wednesdays only (exceptions can occasionally be made for large groups).

Contact Sally; sally@amcgardens.co.uk or call 0115 9867777

Tools and some PPE provided; volunteers are advised to bring their own gardening gloves if they have them (some spares available).

AMC Gardens offer a 5 hour Day from 10 -3pm which includes trained staff lead, tools and refreshments throughout the day.

Lunches are either brought by group or arranged with our in-house caterer Stripey Beetroot

Price of this session for under 6 people is set at £75.

The Gardens offer a day for business groups of 6+. Cost for this is £10 per head per day

Sherwood Community Food Gardens

Sessions are held on Saturdays or Sundays by arrangement, volunteers can join us at our monthly working parties. Details of these are available on the website: <https://sherwood-community-food-gardens.mailchimpsites.com/events-and-work-parties>

“At our monthly work parties everyone is welcome to join in the regular tending of shared spaces which could be anything from light weeding to heavy pruning. No previous experience necessary, it’s an opportunity to learn about growing as well as helping to maintain the gardens. These take place at 10am-1pm on various Sundays across Edingley Square and Sherwood Community Centre gardens.”

Tools are provided
